

# ALBUQUERQUE QUALITY NETWORK

## Seminar

Apr 15, 2021  
7:15-9 am

Zoom - link will be available prior to the event

Members free | non-member \$20/seminar

### The Art of Organization

*Presented by Steve Crabb, Project Manager, UNM Hospitals*

This workshop will benefit anyone looking to build their project management skills for their job. It will include an introduction to project management terminology, describe the most valuable tools used to manage a project, more advanced concepts for the experienced project manager, and include some fun facts about interested project management topics!

#### LEARN

Presented by experts at the forefront of their field, sessions focus on skills and offers practical suggestions for applying them in real-world situations.

#### CERTIFICATION

Demonstrate your commitment to upholding quality standards and continued learning to earn Quality Certificate from the UNM Anderson School of Management

#### NETWORK

Meet prospective mentors, partners, and clients, and gain access to the resources that will foster your career development
