TWO RIGHTS DON'T MAKE A WRONG: Keys to Effective Strategy Execution

Jeff Weinrach, PhD, will discuss important considerations for the implementation of quality strategies for all levels in organizations, from senior managers to front-line employees, as well as partners, vendors and other stakeholders. The program will draw upon the adage: Do the Right Things Right. Strategies, tools and examples of best practices will be shared. Weinrach is the Strategy Accelerator Officer for Kirtland Federal Credit Union.
