Quality Leadership

Leadership is hard. If it were easy, it is doubtful there would be 80,000 books on the subject sold on Amazon. But what makes a quality leader? Dr. Jacqueline Hood will explore the traits of quality leadership and help you discover your personal leadership style.

Dr. Hood is a Professor with the Anderson School of Management at UNM. She earned her Ph.D. from the University of Colorado, College of Business Administration; her MBA from Northern Illinois University, College of Business; and her BA in Sociology and Psychology from Northern Illinois University.
