## Quality Matters

Presented by Becky Adams

University of New Mexico

Quality Matters is a nationally recognized peer review approach to insure best practice for online courses. We will look at why it is important, how it works and how it might relate to best practices in other areas.

Becky was the Director for Online Course Development and Faculty Services at the University of New Mexico for thirteen years. She is a Quality Matters Master Reviewer and also developed a peer review approach at UNM based on the Quality Matters model.
