The Quest for Quizzing Quality

Presented by Jason Zuffranieri

A love of trivia games over a lifetime led to the good fortune of getting a chance to be a contestant on America's Favorite Quiz Show, Jeopardy!, in 2019. The presentation will go into all that led up to getting The Call, what worked well on the show, and what improvements were being made between those first shows.

Zoom - link will be sent upon registering

Members free | non-member \$20/seminar
