Zoom link will be sent prior to the event

Members: Free

Non-Members: \$20/Seminar

### The Wonderful World of Metrics

*Presented by Dr. Kim Dalton Linder*

People throw the word 'metrics' around a lot. But what is a metric? Or more importantly, what is a good metric? And how do you develop good metrics? Using information primarily from Systems Engineering, an approach to developing metrics that will work for you will be explored.

#### LEARN

Presented by experts at the forefront of their field, sessions focus on skills and offers practical suggestions for applying them in real-world situations.

#### CERTIFICATION

Demonstrate your commitment to upholding quality standards and continued learning to earn Quality Certificate from the UNM Anderson School of Management

#### NETWORK

Meet prospective mentors, partners, and clients, and gain access to the resources that will foster your career development
