### How to Manage In A Hybrid Work Environment

*Presented by Mary Gallivan*

This engaging Zoom workshop is designed for managers to thrive in the hybrid work landscape. You will discover strategies to enhance productivity and foster team cohesion. The workshop includes effective communication techniques and meeting management for remote and in-office setups. Our interactive session empowers you with the skills to navigate challenges, leverage technology, and build a strong, united team, regardless of their location. Don't miss this opportunity to adapt, lead, and succeed in the evolving work environment.

#### LEARN

Presented by experts at the forefront of their field, sessions focus on skills and offers practical suggestions for applying them in real-world situations.

#### CERTIFICATION

Demonstrate your commitment to upholding quality standards and continued learning to earn Quality Certificate from the UNM Anderson School of Management

#### NETWORK

Meet prospective mentors, partners, and clients, and gain access to the resources that will foster your career development
