Oct 17, 2024

7:00-9:00 am

Quality Leadership...It's kind of like eating your vegetables Presented by Gail Hammer

Whether you're leading an improvement project, a quality function or an organization, quality leadership takes a certain mindset and perspective. Gail will share the four essentials, along with lessons learned and best practices to embed a quality culture and excel in a quality career.

Come have breakfast with us, network with quality professionals and enjoy this presentation!
