Feb 20, 2025  
7:15-9 am

Bringing Engineers & Scientists Along With You on the Quality Journey.

Presented by Vaughn Halford

A look at several real-life episodes of lapses in quality processes, followed by discussion on methods to engage engineers and scientists to appreciate how the output of their everyday work is influenced by things "nontechnical."

Via Zoom

Zoom link will be sent upon registering

Members: Free

Non-Members: \$20/Seminar

non-member \$20/seminar
