10 Ways to Make Quality Worse in your Organization

Presented by David R. Scrase, MD, MHSA, MACP

Being a Quality leader in an organization can be a lonely job. In the humorous look at the life of a quality champion, David Scrase will discuss both the path to success, and, more importantly, ten wrong turns to avoid. Including the do's and don'ts of measurement, the role of the CEO, pitfalls of the use of paper and/or memory as quality tools and more! If his talk doesn't make you think and laugh, he promises to give you your money back.
